Raul Graham (HM DOB 4/15/95 SF667539) failed to appear in court on a pending DV and narcotics case.

He has a felony bench warrant and a no bail warrant for a motion to revoke his probation.

There is also probable cause in SFPD Report 170883251 to arrest Graham for assorted other crimes including 459 first, 422, 646.9 (b), 245 (a)(4), 417 PC et al.

He has also sent text messages and images to the victim. In one of the images, he is holding what appears to be a long gun. This case is under investigation.

He is an alleged Norteno gang associate from Antioch.

When I arrested him a few weeks ago, he was in possession of numerous baggies of cocaine salt that he had secreted in his underwear.

He is possibly at 460 Wilde San Francisco CA.
